

How to Use the Pay Stations

1 Park your vehicle and note the space number

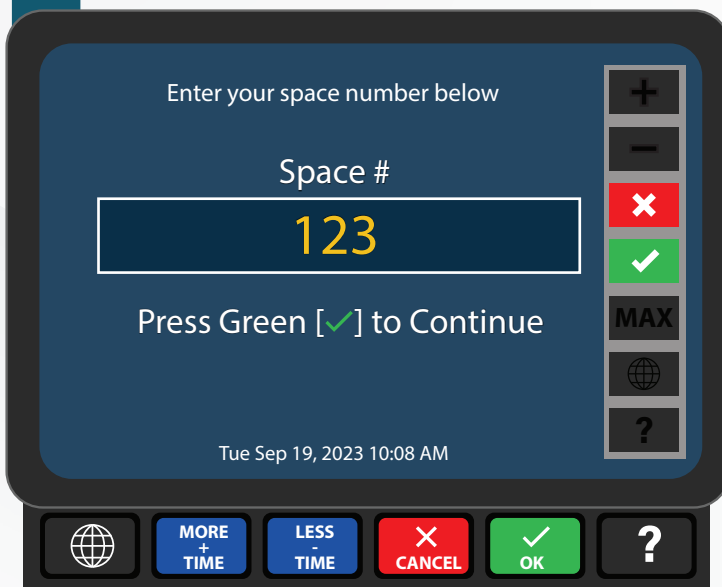

2 Start the Machine

- The screen alternates between two welcome screens.
- Press any key to begin.**

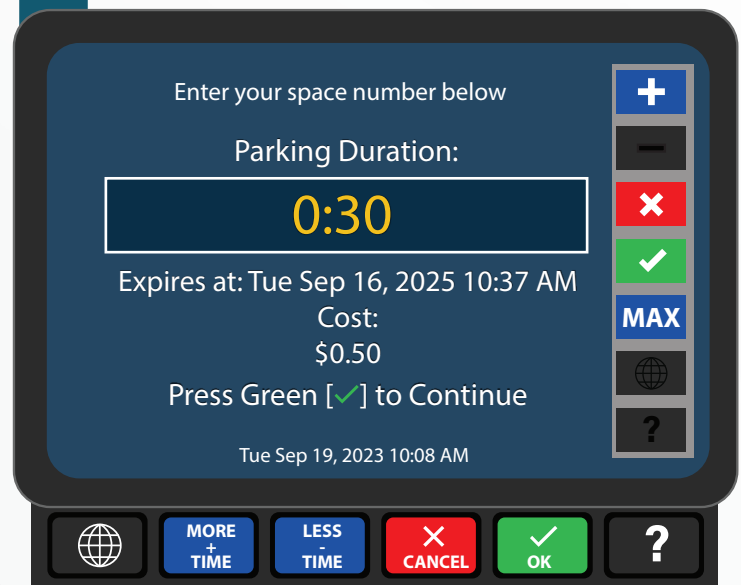

3 Enter Your Parking Space Number

- Type in your space number.
- Press the green button to continue.**

4 Select Parking Duration

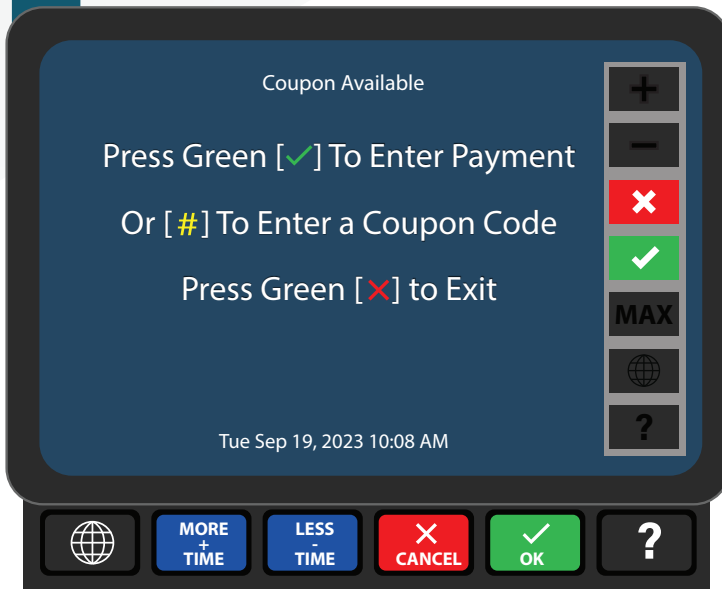

- Choose how long you want to park.
- Use "More + Time" to add time or "Less - Time" to reduce time.
- Maximum limit: 3 hours.
- Press the green button when finished.**

5

Coupon Option

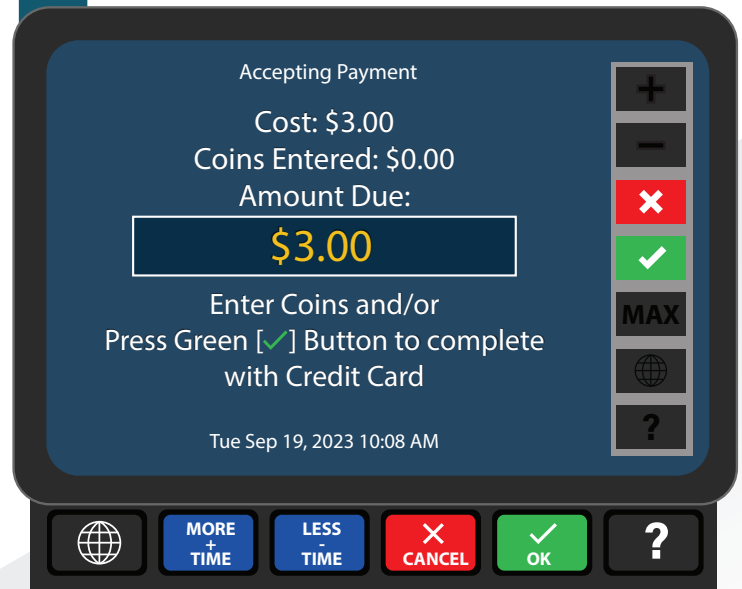

- If you have a coupon, press # to enter it.
- If not, **press the green button to proceed to payment.**

6

Payment

- **Coins:** Insert quarters, dimes, or nickels (up to \$3).
- **Credit Card:** Press the **green button** to pay by card.

7

Using a Credit Card

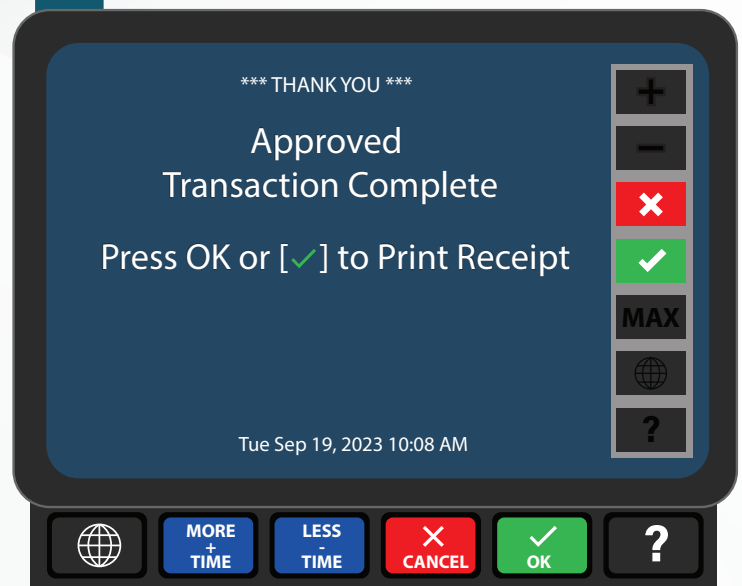

- The screen will display: "Please Insert or Tap Card."
- Insert or tap your card where the **green light** is on.

8

Using a Credit Card

- After payment approval, press the **green button** if you would like a receipt.

Tap your card here. The green light will be on and ready if all previous steps were completed correctly

Always check that your payment is approved before leaving the pay station
